**MI'KMAW
ROAD SIGNS**
ACROSS
EPEKWITK (PEI)

Since 2020, in recognition of Indigenous Awareness Week, L'neuy and the Government of Prince Edward Island have partnered to raise awareness of long-existing Mi'kmaq place names by raising heritage road signs across the province, while celebrating Epekwitk's Mi'kmaq history.

This is an important partnership with the Province in the spirit of Mi'kmaq language revitalization and reconciliation. These place names are very descriptive and rooted in natural and human history, in geography, and they provide a window into how we traditionally went about our daily lives.
